

Public Country by Country Reporting 2025

Public Country by Country Report - Spain

This public Country-by-Country Report has been prepared in accordance with Directive (EU) 2021/2101 as implemented into Spanish law. All information disclosed relates solely to Spanish operations. Group-wide data is not yet available and will be published at a later date. Publication of the Spanish only data is provided initially due to the accelerated 6-month reporting timetable in Spain.

All Spanish entities disclosed above have the same financial year end as Beazley Plc.

The figures have been prepared using a top-down approach, meaning IFRS results may differ from amounts reported for current tax purposes, which are based on local GAAP.

This report is published on the Beazley website accessible to anyone free of charge.
