

# Contractors Liability Insurance Pollution Protection (CLIPP)

Get peace of mind knowing that you're covered  
in case of an environmental incident

We offer essential coverage for contractors that want to protect themselves from environmental risks and liabilities. The policy form is designed to be effective, flexible, and streamlined to meet the environmental needs of your client's business. We understand that no two businesses are the same, and our expert team will work with you to customize a policy that provides the protection your client needs.

## Updated policy form

Our Beazley CLIPP policy simply and seamlessly integrates with our existing ECLIPSE policy to cover the comprehensive risks of brownfield redevelopment projects. The short and easy to read form can also cover an expansive range of contractors for their pollution liability on a blanket basis.

## Who we can help

All construction, trade, and service contractors on either a blanket or project specific basis.

## What we offer

**Practice policies:** Multi-year term available

**Project policies:** Policy term up to 17 years, including completed operations.

- Owner-controlled projects
- Contractor-controlled projects.
